COBI PRE-POWER AGREEMENT

Although the City of Belle Isle, for the above referenced facility, has issued no certificate of occupancy, we hereby request that you authorize or instruct the appropriate utility company to energize the electric service equipment on a temporary basis.

DATE: August 3, 2016

BUILDING PERMIT # 2016-10-009

ELECTRICAL PERMIT # 2016-11-005

CONTACT NAME & TELEPHONE NUMBER:

PROJECT ADDRESS: 6723 Matchett Rd

The reason for Pre-Power is to test equipment only. The specific equipment to be tested is described as follows:

A/C Only - Floor being damaged from heat

In consideration for authorizing the appropriate utility company to energize the facility, we pledge, warrant, agree, and understand as follows:

- 1. The facility will not be occupied until a certificate of occupancy has been issued.
2. If the City hereafter finds that the facility has been occupied before a certificate of occupancy has been issued, the City will have the unilateral right to direct that the electricity be terminated without notice.
3. In the event the pre-power agreement is found to be violated, we shall not be able to obtain pre-power for a period of 60 days on these premises.
4. The building is weather tight and secure and all equipment and fixtures to be energized under this request have been previously inspected and approved.
5. The power control room is lockable or the electrical panels are of lockable type that can be securely padlocked.
6. Pre-Power shall be approved for a maximum of 60 days.
7. A \$100.00 fee shall accompany the request for pre-power.
8. This agreement shall not be accepted without the three notarized signatures below.
9. For the purpose of this Pre-Power agreement, an originally signed permit and site-specific power of attorney may be accepted.
10. All other applicable fees have to be paid (re-inspection fees, impact fees, etc.).
